**LEIDEN  
BIO SCIENCE  
PARK**

# Map of Leiden Bio Science Park

# The premier life science hotspot in the Netherlands

Leiden Bio Science Park is the leading life sciences cluster in the Netherlands and ranks among the top five most successful science parks in Europe. It is fully dedicated to biomedical life sciences and offers opportunities for both established companies and start-ups to flourish.

## Leiden Bio Science Park counts 197 organisations

## Discover more

Please visit our website for a fully searchable, interactive map of the park:
