

LEIDEN  
BIO SCIENCE  
PARK

May 31, 2016

## SPREAD THE WORK!

Lately a whole lot of new job opportunities have come available at Leiden Bio Science Park. As always, we list these at our [LBSP job board](#). However, currently there are so many that we give them some extra attention by sending you this jobsletter.

Please help the park grow and send this to anyone you think that may be interested! And think about how it will be appreciated by the one you might be helping.

Thanks!

The Leiden Bio Science Park team
